

SAFETY AND SECURITY DURING CORONAVIRUS

To: _____

Early Childhood Education and Care is an essential service. We are at the front line of this global pandemic, but we are not getting the respect we deserve!

During this time of rapid change and upheaval, we call on _____ to commit to the principles of **fairness & equity, leaving no worker behind, meaningful consultation** and safety at work.

We are calling on you to adopt the United Workers Union plans for safety and security during the pandemic.

United Workers Union 6 Point Plan to Stop the Spread of COVID-19

Employers must provide:

1. Pre-entry screening
2. Adequate personal protective equipment
3. Adequate time for workers to take precautions
4. Adequate cleaning
5. Adequate staffing
6. Good hygiene

ECEC JobKeeper Standards

Employers must:

- Apply for JobKeeper if eligible;
- Consult with staff and their Union about the Job Keeper application and why any changes might need to happen;
- Continue to employ workers not eligible for Job Keeper;
- Protect vulnerable staff by allowing them to cease work while receiving Job Keeper payments;
- Limit directions that an employee must access their annual leave; and
- Only offer redundancies only as a last resort;

The workers at _____ call on _____ to adopt the United Workers Union plans for safety and security:
